Alabama Broadband Connectivity:

<https://abcstudents.org/>

The Alabama Broadband Connectivity for Students program will provide **free internet access for eligible students who are enrolled in the National School Lunch Program through their schools**. We are working to make the process as easy as possible for students who choose to participate.

**If your student is enrolled in the National School Lunch Program through their school, you are already enrolled in the Alabama Broadband Connectivity for Students program**. You will receive a prepaid voucher letter by U.S. mail in the coming weeks. Then all you'll have to do is call the internet service provider of your choice, give them your voucher number, and sign up for service.

**If you have recently moved, please call your school to update your address.**

## Parenting Resources

Homework Alabama is offering extended hours for those seeking tutoring assistance. The online program offers free tutoring and academic resources. You can get help from a live tutor in math, science, English, writing, or social studies. You can access Homework Alabama at <http://homeworkalabama.org/>.
